Thursday	Option A	Maths Science
Friday	Science	Option A

Please note that this is the minimum amount of homework that will be set.

All homework will be recorded in the students' log book.

Subjects in the option blocks may need to set additional homeworks at certain times of the year to prepare for assessments.

Additional notes for staff:

1. It is essential that homework is set regularly in order that we support our students in developing good study skills habits and time management.
2. Best practice is to set the homework during the lesson, not at the end, so that students have sufficient time to record the homework in their log book and staff have time to walk round and check that all log books have been filled in correctly.
3. On the rare occasion when it is not appropriate to set a homework 'none set' should be recorded in the log book.
